Dear Mr. Vreeland:-

I presume you have some nice things relating to the subject of the meeting of March 19th. We would be exceedingly glad to see you should you feel inclined to come over at that time, and would also be glad if you would help along in the exhibition of Swedish coins.

With kind regards, I am,

Very truly yours,

My dear Mr. Vreeland:-

We are planning to have an exhibition and a few talks regarding the seige coins of Europe on the evening of Monday, November 2nd, a special meeting devoted entirely to that purpose, and the coins exhibited will be of our own collection and such others as our various good friends will loan. We want to arrange the exhibit carefully, and then let it stand for about three weeks, consequently we want, if possible, to get the coins here a few days in advance of the meeting.

Can you help us out with some of your nice things, the more, the merrier? Please let me know as soon as convenient, as we are anxious to find out what we can count on.

With kind regards, believe me,

Very sincerely yours,

NEHEMIAH VREELAND,  
22 PRINCE STREET,  
PATERSON, NEW JERSEY.

Mr Bauman L. Belden Sec.  
American Numismatic Society

Dear Mr Belden

Your letter of the 14<sup>th</sup> received.  
I never made much of an effort to  
secure seige coins, so the number in  
my collection is very small.

I will run up on Saturday afternoon  
and bring a list of the coins

Yours truly
